Description :

PDF-e530c | Over seven years, 45 of the world's top investors were given between \$25m and \$150m to invest by fund manager Lee Freeman-Shor. His instructions were simple. There was only one rule. They could only invest in their ten best ideas to make money. It seemed like a foolproof plan to make a lot of money. What could possibly go wrong? These were some of the greatest minds at work in the markets today - f... *The Art of Execution: How the world's best investors get it wrong and still make millions*
