Description :

PDF-5ff41 | 'A Blueprint for Better Banking' takes a fresh look at the financial crisis. It sets out to answer specifically what the mistakes were that banks made and how this could have been avoided. What is unique about this book is a detailed description of a large bank that operates very differently from its peers and that has, as a result, steered clear of the areas that have brought many other banks int... *A Blueprint for Better Banking: Svenska Handelsbanken and a proven model for more stable and profitable banking*
