Description :

PDF-1c7c2 | Despite social and economic advances around the world, poverty and disease persist, exacerbated by the mounting challenges of climate change, natural disasters, political conflict, mass migration, and economic inequality. While governments commit to addressing these challenges, traditional public and philanthropic dollars are not enough. Here, innovative finance has shown a way forward: by borrowi... *Capital and the Common Good: How Innovative Finance Is Tackling the World's Most Urgent Problems (Columbia Business School Publishing)*
