Construction Project Management: A Complete Introduction PDF

by Alison Dykstra : **Construction Project Management: A Complete Introduction**

ISBN : #098270349X | Date : 2011-01-01

Description :

PDF-ababd | What it takes to develop, plan and manage a construction project. This straightforward and readable, yet thorough, textbook focuses on the role of the contractor, taking the reader from start to finish -- from the early development stage through bidding, selection of the contractor, the construction itself, and close-out. A wide range of practical issues are explored, and frequently-asked question... *Construction Project Management: A Complete Introduction*
