by Liz Sanders : **Convivial Toolbox: Generative Research for the Front End of Design**

ISBN : #9063692846 | Date : 2013-01-08

Description :

PDF-c7b28 | Generative design research is an approach to bring the people we serve through design directly into the design process in order to ensure that we can meet their needs and dreams for the future. The book introduces an emerging domain of design that is of immense interest today not only to the academic design research community but also to those in the business community charged with the development... *Convivial Toolbox: Generative Research for the Front End of Design*
