ISBN : #1785902172 | Date : 2018-02-13

Description :

PDF-c0419 | Guy Standing reveals the devastating effects of the construction of a global market economy. At the heart of the problem is the construction by successive governments, working in the interests of elites, of the most unfree market system ever created. A system in which property, financial, physical and intellectual, is controlled by a tiny but enormously powerful rentier class.... *The Corruption of Capitalism: Why Rentiers Thrive and Work Does Not Pay*
