Description :

PDF-19b0c | Today's trade is global. A company can choose to have its headquarters in one part of the world, its production facilities in another and sell its brands in all markets. Since the first sea-borne container transport took place in 1956, the shipping industry has been one of the main facilitators of the globalisation of trade. This book traces the rise to prominence of Maersk Line - the world's lead... *Creating Global Opportunities: Maersk Line in Containerisation 1973-2013*
