Description :

PDF-17920 | Financial professionals have long faced the challenge of accurately valuing companies that are difficult to value using conventional methodologies. Years ago, this challenge was most keenly felt in the "dot-com" industries, and many professionals fell victim to the "dark side," creating values that were simply unsustainable. Now, amidst today's global financial crisis, the same challenge applies t... *The Dark Side of Valuation (paperback) (2nd Edition)*
