Description :

PDF-35401 | An innovative view of the changing geopolitical landscape that draws on the science of complex adaptive systems to understand changes in global interaction. Liberal internationalism has been the West's foreign policy agenda since the Cold War, and the West has long occupied the top rung of a hierarchical system. In this book, Hilton Root argues that international relations, like other complex ecosy... *Dynamics among Nations: The Evolution of Legitimacy and Development in Modern States (MIT Press)*
