Description :

PDF-20b88 | How many countless working hours have you spent on projects, proposals, paperwork, and meetings that felt useless or were ignored or dismissed? Hard work is not the same as real work. Half of the work we do consumes valuable time without strengthening the short- or long-term survival of the organization. In a word, it's fake. Not only does fake work drain a company's resources without improving it... *Fake Work: Why People Are Working Harder than Ever but Accomplishing Less, and How to Fix the Problem*
