: **Geomarketing: Methods and Strategies in Spatial Marketing**

ISBN : #190520907X | Date : 2006-02-17

Description :

PDF-9c358 | This title describes the state of the art in all areas of spatial marketing, discussing the various constituents which make up the geography of markets. Demand varies according to location and can be measured according to revenue, the number of households, spending patterns and lifestyles. Supply is also dependent on position, because prices, services, products and available shops rely on location... *Geomarketing: Methods and Strategies in Spatial Marketing*
