Head First Software Development: A Learner's Companion to Software Development PDF

by Dan Pilone : **Head First Software Development: A Learner's Companion to Software Development**

ISBN : #0596527357 | Date : 2008-01-11

Description :

PDF-16da8 | Even the best developers have seen well-intentioned software projects fail -- often because the customer kept changing requirements, and end users didn't know how to use the software you developed. Instead of surrendering to these common problems, let Head First Software Development guide you through the best practices of software development. Before you know it, those failed projects will be a th... *Head First Software Development: A Learner's Companion to Software Development*
