Description :

PDF-88318 | Haters are not your problem. . . . Ignoring them is.

Eighty percent of companies say they deliver outstanding customer service, but only 8 percent of their customers agree. This book will help you close that gap by reconfiguring your customer service to deliver knockout experiences. The near-universal adoption of smartphones and social media has fundamentally altered the science of complaint... *Hug Your Haters: How to Embrace Complaints and Keep Your Customers*
