Description :

PDF-11d46 | Innovating is for doers: you don't need to wait for an earth-shattering idea, but can build one with a hunch and scale it up to impact. Innovation is the subject of countless books and courses, but there's very little out there about how you actually innovate. Innovation and entrepreneurship are not one and the same, although aspiring innovators often think of them that way. They are told to get an... *Innovating: A Doer's Manifesto for Starting from a Hunch, Prototyping Problems, Scaling Up, and Learning to Be Productively Wrong (MIT Press)*
