Description :

PDF-cf86b | Paperback. Today there is hardly any company that can claim that it is not involved in international business (IB). A huge body of literature is available on international business, but there are very few publications on the most important aspect of IB, namely negotiations. The purpose of this book is to enhance our understanding about the impact of culture and communication on international busin... *International Business Negotiations, 2nd.Edition (International Business & Management)*
