International Monetary and Financial Economics (with Printed Access Card) PDF

by Joseph P. Daniels : **International Monetary and Financial Economics (with Printed Access Card)**

ISBN : #0324261608 | Date : 2004-09-28

Description :

PDF-77f4a | This text covers the full range of topics in international money and finance, giving solid attention to 3 key areas - international finance, open-economy macroeconomics, and international money and banking. It consistently connects theory to real-world policy and business applications (and strikes a balance between business relevance and policy relevance), demonstrating to readers the contemporary... *International Monetary and Financial Economics (with Printed Access Card)*
