Description :

PDF-f2729 | In a challenging economy filled with nimble competitors, no one can afford to stagnate. Yet, innovation is notoriously difficult. Only 1 in 100 new products are successful enough to cover development costs, and even fewer impact a company's growth trajectory. So how do you pinpoint the winning ideas that customers will love? Sifting through purchasing data for clues about what might sell or haph... *Jobs to Be Done: A Roadmap for Customer-Centered Innovation*
