Description :

PDF-8ed85 | Oldness: a social construct at odds with reality that constrains how we live after middle age and stifles business thinking on how to best serve a group of consumers, workers, and innovators that is growing larger and wealthier with every passing day. Over the past two decades, Joseph F. Coughlin has been busting myths about aging with groundbreaking multidisciplinary research into what older people... *The Longevity Economy: Unlocking the World's Fastest-Growing, Most Misunderstood Market*
