Description :

PDF-3754a | We're entering a new era of innovation. Learn the strategies of the world's most inventive startups, corporations and scientific institutions. Today, managers are often told that they must "innovate or die," but are given little useful guidance on how to go about it. Sure, there are many books and articles that champion one approach or another, but till now there has been no effective guide to he... *Mapping Innovation: A Playbook for Navigating a Disruptive Age*
