Description :

PDF-c4bd5 | Businesses need a new type of problem solving. Why? Because they are getting people wrong. Traditional problem-solving methods taught in business schools serve us well for some of the everyday challenges of business, but they tend to be ineffective with problems involving a high degree of uncertainty. Why? Because, more often than not, these tools are based on a flawed model of human behavior. And ... *The Moment of Clarity: Using the Human Sciences to Solve Your Toughest Business Problems*
