by Filippo Cesarano : **Monetary Theory and Bretton Woods: The Construction of an International Monetary Order (Historical Perspectives on Modern Economics)**

ISBN : #0521739098 | Date : 2008-11-10

Description :

PDF-c0736 | Over the twentieth century monetary theory played a crucial role in the evolution of the international monetary system. The severe shocks and monetary gyrations of the interwar years interacted with theoretical developments that superseded the rigid rules of commodity standards and led to the full-fledged conception of monetary policy. The definitive demise of the gold standard then paved the way ... *Monetary Theory and Bretton Woods: The Construction of an International Monetary Order (Historical Perspectives on Modern Economics)*
