Description :

PDF-792d1 | Surprising rules for successful monetization Innovation is the most important driver of growth. Today, more than ever, companies need to innovate to survive. But successful innovation--measured in dollars and cents--is a very hard target to hit. Companies obsess over being creative and innovative and spend significant time and expense in designing and building products, yet struggle to monetize... *Monetizing Innovation: How Smart Companies Design the Product Around the Price*
