Description :

PDF-190f7 | Ming porcelain is widely regarded among the world's finest cultural treasures. From ordinary household items patiently refined for imperial use, porcelain became a dynamic force in domestic consumption in China and a valuable commodity in export trade. In the modern era, it has reached unprecedented heights in art auctions and other avenues of global commerce. This book examines the impact of cons... *From Object to Concept: Global Consumption and the Transformation of Ming Porcelain*
