Description :

PDF-258ff | Published in 1944, during World War II, *Omnipotent Government* was Mises's first book written and published after he arrived in the United States. In this volume Mises provides in economic terms an explanation of the international conflicts that caused both world wars. Although written more than half a century ago, Mises's main theme still stands: government interference in the economy leads to c... *Omnipotent Government: The Rise of the Total State and Total War (Lib Works Ludwig Von Mises CL)*
