ISBN : #1604269847 | Date : 2014-08-26

Description :

PDF-d31de | Exposing students to post-traditional theory as well as to "operationalize" theory, this book clearly shows how they've been applied and with what impact. The book first covers the classical foundations of organization theory, beginning with rationalist approaches and the behavioural revolution, and then delving into the diversity of network theory, chaos and complexity, structural-functionalism,... *Organization Theory and Governance*
