Description :

PDF-88f85 | Institutional investors spend the majority of their time in search of the Holy Grail of investment alpha, or risk-adjusted market outperformance. The problem is far too many organizations and funds fail to first understand whether or not they have what it takes to earn alpha or whether it even makes sense to try.

Organizational alpha, on the other hand, is something every institutional investor an... *Organizational Alpha: How to Add Value in Institutional Asset Management*
