by Michael Fairbanks : **Plowing the Sea: Nurturing the Hidden Sources of Growth in the Developing World**

ISBN : #0875847617 | Date : 1997-05-30

Description :

PDF-e5e9e | The authors address the issue of competitiveness in the developing world. Using the Colombian cut-flower industry as a backdrop (and drawing from a variety of industries in Bolivia, Venezuela, and Peru), they identify seven core elements of the failed model of competitiveness in which much of the developing world appears to be trapped. These patterns include an over-reliance on basic production fa... *Plowing the Sea: Nurturing the Hidden Sources of Growth in the Developing World*
