Description :

PDF-2f585 | As financial markets expand and continue to refashion the world in their own image, the wealth of capitalist societies no longer presents itself, as it did to Karl Marx in the nineteenth century, as a "monstrous collection of commodities." Instead, it appears as an equally monstrous collection of financial securities, and the critique of political economy must proceed accordingly. But what would ... *Portfolio Society: On the Capitalist Mode of Prediction (Zone / Near Futures)*
