The Principles of Product Development Flow: Second Generation Lean Product Development PDF

by Donald G. Reinertsen : **The Principles of Product Development Flow: Second Generation Lean Product Development**

ISBN : #1935401009 | Date : 2009

Description :

PDF-3716a | "...the dominant paradigm for managing product development is wrong. Not just a little wrong, but wrong to its very core." So begins Reinertsen in his meticulous examination of today's product development practices. He carefully explains why invisible and unmanaged queues are the underlying root cause of poor product development performance. He shows why these queues form and how they undermine th... *The Principles of Product Development Flow: Second Generation Lean Product Development*
