Description :

PDF-b43e2 | This book is an important and timely research study that explores a little-known area of investing, which is that of private mortgage lending. The reason for undertaking the study was twofold; reason one is because for the past 15 years, retirement portfolios have been devastated by stock market fluctuations, resulting from a greater prevalence of boom and bust economic cycles. It is quite possibl... *Private Money Lending Learn How to Consistently Generate a Passive Income Stream*
