Description :

PDF-82640 | Are you tired of playing games with your customers? The most widely used metaphors in sales are those related to sports, battle, or games. The challenge with this mindset is it requires that one person wins, and the other loses. Instead of falling victim to a win-lose approach, what if you shared a common goal with your potential client? How might things change if the client felt that you were mor... *Same Side Selling - A Radical Approach to Break Through Sales Barriers*
