Description :

PDF-6557f | Praise for THE SCIENCE OF SUCCESS "Evaluating the success of an individual or company is a lot like judging a trapper by his pelts. Charles Koch has a lot of pelts. He has built Koch Industries into the world's largest privately held company, and this book is an insider's guide to how he did it. Koch has studied how markets work for decades, and his commitment to pass that knowledge on will inspir... *The Science of Success: How Market-Based Management Built the World's Largest Private Company*
