Description :

PDF-995f4 | This witty guide advises readers to stop playing the stock market or listening to television gurus and instead put their money into dividend-paying, moderate-growth companies that offer consistent returns and minimum risk. Citing statistics that show companies initiating and raising dividends at the fastest rate in 30 years, this analysis declares once-stodgy dividends to be "the next new thing" a... *The Single Best Investment: Creating Wealth with Dividend Growth*
