Description :

PDF-4ba2a | Day trading, or intraday trading, is a method that works just like it sounds: you enter a trade involving one or more stocks (or another security) and exit the trade -- which you've only held onto for seconds, minutes, or hours -- by the end of the day. The plan is to make a trade and exit with a profit -- the sooner the better -- and still get a good night's sleep. Because uninformed traders hav... *Start Day Trading Now: A Quick and Easy Introduction to Making Money While Managing Your Risk*
