Description :

PDF-fb7a1 | The fact that our global economy is broken may be widely accepted, but what precisely needs to be fixed has become the subject of enormous controversy. In 2008, the president of the United Nations General Assembly convened an international panel, chaired by Nobel Prize-winning economist Joseph Stiglitz and including twenty leading international experts on the international monetary system, to ad... *The Stiglitz Report: Reforming the International Monetary and Financial Systems in the Wake of the Global Crisis*
