Description :

PDF-f965a | “Much of what we experience in life results from a combination of skill and luck.” — From the Introduction
The trick, of course, is figuring out just how many of our successes (and failures) can be attributed to each—and how we can learn to tell the difference ahead of time. In most domains of life, skill and luck seem hopelessly entangled. Different levels of skill and varying degrees of good ... *The Success Equation: Untangling Skill and Luck in Business, Sports, and Investing*
