Description :

PDF-787e3 | It's strange to observe that in an age where information is so abundant and easy to access, a very small number of investors understand the functioning of the stock charts. Many more believe that the up-and-down level of a share is strongly connected to a company's profitability. Either because of doubt or a lack of understanding, most traders and investors trust their friends, colleagues or p... *Technical Analysis for Beginners: Stop Blindly Following Stock Picks of Wall Street's Gurus and Learn Technical Analysis*
