Description :

PDF-4e125 | The independent film community is a buzz with the collapse of the traditional independent film distribution model. No longer can filmmakers expect their films to be acquired and released nationally. But just as the digital revolution created a democratization of the means of production, a new hybrid model of distribution has created a way for independent filmmakers to take control of the means of ... *Think Outside the Box Office: The Ultimate Guide to Film Distribution and Marketing for the Digital Era*
