Description :

PDF-92448 | Different setups work in different markets. Everyone makes money in a bull market. Not everyone keeps it when the market goes into correction or a range-bound, choppy mode. A good trader is able to adapt to changing markets. There are four major types of markets and each of them requires a different approach: Uptrend, Range-bound, Downtrend, and Bottoming Process. In this book, I show you how to r... *Top 10 Trading Setups: How to Find them, When to Trade them, How to Make Money with them*
