Description :

PDF-db8ea | Is the writing workshop the only way to teach writing? No. There are a variety of approaches or programs, but none of them matches the writing workshop when it comes to growing strong writers. That's why, despite the pressures of testing, the writing workshop has endured and even flourished in thousands of schools across the country. Today we face a time when as many as ten million new teachers a... *Writing Workshop: The Essential Guide*
